

Fairway Springs

Park City, UT

Project Type: Condominium

Horizon's Role: Developer, General Contractor

Project Attributes: Market Rate, Green Built, Utah

Fairway Springs is a 6.04 acre residential development that consists of 46 townhome units in a total of 10 buildings. Each building ranges in size from three to six units with each unit having a one-car attached garage, private entry, and exquisite interior finishes. The townhome units are structured as condominiums for sale and range from 1,820 to 2,140 square feet in size. The development is located on a private, cul-de-sac drive surrounded by two fairways of a planned mountain golf course. The townhomes are only steps away from a chairlift that is currently under construction, providing the luxury of ski-in, ski-out access to one of the best ski resorts in the country.
